

ASSISTIVE TECHNOLOGY CENTER

Our Uniqueness

- ▶ Expertise in AT implementation with a wide range of populations
- ▶ Tailor-made services
- ▶ "Bottom-up" approach - knowledge based on expertise in the field (at educational and therapeutic frameworks)
- ▶ Multi-disciplinary approach
- ▶ Research, assessment and evaluation

Download IssieBoard

Our customizable keyboard app for the iPad, jointly developed with SAP

ASSISTIVE TECHNOLOGY CENTER

Beit Issie Shapiro's Assistive Technology (AT) Center provides consultation and training services, and is a leading hub for promoting innovation and entrepreneurship, bringing more accessible and affordable solutions to people with disabilities.
